SERVICES

PHOTO REPAIRS

Repair water damage, creases, folds, flaked or cracked emulsion, damaged photos with pieces missing. Remove distractions such as background people or buildings.

RETOUCHING

Cleaning up a face (e.g. removing hair strands covering the face), erasing wrinkles and blemishes, removing shadows and marks.

RESTORATION

Restore faded images, colour casts, removing paper texture. Using other 'source' images to repair another badly damaged photograph.

PHOTO MONTAGE & COLOUR

Combining images - multiple photos into one image. Inserting or removing people / objects. Colourising a black and white photograph. Colour correction and enhancement.

PRICE LIST

BASIC - from £15

Minor fading; Minor discolouration; Light mould or damage; Hairline scratches

INTERMEDIATE - from £20

Deep scratch marks; Facial area corrections; Multiple paper wrinkles; Moderate specs of mould damage; Medium fading; Small areas missing

ADVANCED - from £30

Larger areas missing or damaged; Larger areas of face or body missing; Heavy mould damage; Major rebuilding and object removing; Significant folds or tears; Heavy fading.

Colouring - from £20

Our pricing structure is meant as a guide only, and gives an approximate cost of repair. Photographs do not need to have all listed faults within a grade, and some may have faults across some or all grades. **Work will always be discussed and quotes given prior to commencement.**

This is not an exhaustive list of our services - if you have any other requests, please email us at louise@lilywhitedesign.co.uk

All clients are supplied with a watermarked proof for approval once the work is complete. Upon receipt of payment, we will print your photograph order, and/or supply a CD with the image (small fee payable for high-res CD option). Photos are professionally printed on quality photographic gloss paper (matt also available on request).
