

lilywhite

portrait drawing

Paper sizes are approximate and dependent on the paper type available. All portraits are drawn smaller than the actual paper size to allow for mounting / framing etc. Portraits are of the head / shoulders only unless requested otherwise, which may incur further costs. If you require a quote for any other piece of artwork not listed here, i.e. bulk orders, multiple subjects, landscapes etc, email us on louise@lilywhitedesign.co.uk
